SCRUBS EASY FOR HARVARD REGULARS

Cambridge, Mass., Oct. 18.—The Harvard varsity continued its rough handling of the scrubs this afternoon, scoring three touchdowns. The regulars still maintained a strong offensive, and the few times the second team was in possession of the ball they found their opponents unmovable. Crawford Bladen, a former tackle and once Harvard representative on the rules committee, led the coaching staff for a few days' visit and took hold of the line men.

Another capable rush line coach to help Bladen's appearance even though temporarily was hailed with satisfaction. Eddie Casey again outshone the field this afternoon, making several long runs, on one of which he covered forty-five yards, following it with a ten-yard rush for a touchdown. Wilcox, who took Casey's place at full back, made a thirty-five yard run, two plays before Burnham was hustled across the goal line for the first of his two touchdowns.

The final touchdown followed straight football rushes, the ball being carried from the scrubs to the varsity line. Davis started at left guard, but was in action only a few minutes, when Dudson replaced him.

HILLTOPPERS ARE OFF FOR DARTMOUTH GAME

The Georgetown University football team, thirty-two strong, will leave here this morning on the 7:25 train for Boston, Mass., where the team will hold its final practice Friday for the Dartmouth game on the Ashburn Country Club, Oct. 20.

The following players will be taken on the trip: Cusack, McCarthy, Swallow, Anderson, Ward, Captain O'Connor, Whalen, Malone, Gilroy, Wall, McQuade, Fenton, Semack, Gorman, Zuzar, Sanchez, F. H. Green, J. Sullivan, J. Sullivan, J. O'Hoye, Burland, Leighty, O'Brien, Tracy, and Aheran. Coach Exendine, Graduate Manager Cox, Instructor O'Reilly, Manager Tommy Ekan and the trainers Vance and Theodore will make up the party.

LEGORE STARS IN OLD ELI PRACTICE

New Haven, Conn., Oct. 18.—In the longest practice taken on the Yale football ground since the season began, the varsity this afternoon made three touchdowns, taking the ball at their own five-yard line and rushing it the entire length of the field.

Harry Legore went across the line for two touchdowns and Joe Neville for the other.

Bowlers and Billiard Players, Take Notice!

The Washington Herald has obtained the service of Leonard ("Len") W. Collins, the well-known bowling and billiard authority, who will contribute daily stories on the various bowling games and billiard matches, while his weekly review and comment on Sunday will embrace both games from every angle.

The Herald is anxious to forward the movement of bowling and billiards and will publish any news, averages or comment on any bowling or billiard matches sent to this office.

GOVERNMENT CLERKS IN BILLIARD LEAGUE

W. D. Allen, of Bay State Academy, Believes Employees of Departments Can Form Circuit.

By "LEN" COLLINS.

The best piece of news of interest to followers of the billiard game in the Nation Capital reached for some time is the report that plans are under way for the formation of a Departmental Billiard League, to be composed of from eight to ten teams, representing the different branches of the governmental service.

The idea of such a league was first conceived by W. D. Allen, proprietor of the Bay State Academy. Several of the different departments are represented either by a bowling, rifle, tennis, chess or some other sport club, and as Mr. Allen reasoned, it is strange that a league composed of players from the different departments was not thought of or inaugurated a long time ago. There is no question but what a billiard league along these lines would prove highly successful, as the greater number of the city employees of this city are employed by the government.

Frank Sherman, Maurice Caffitz and Michael Scanlon, proprietors of the Royal, Scanlon and Grand Central parlors, were approached upon the subject and all three expressed themselves as confident that it would be little or no trouble to get a league of this kind in the field, once the right start was made.

The Herald, in its endeavor to boost the billiard game along, would be pleased to hear from any of the players in the different departments who might wish to enter a team in the proposed league. It is practically assured that should the league be formed suitable prizes would be awarded to the prize winners.

SAVING VETERANS OF ARMY ELEVEN

Westport, N. Y., Oct. 18.—The mid-week practice saw some strange faces on the varsity eleven again today. Although all the big fellows were back in togs except Gerhardt and Egan, who are injured, the coaches sent Captain McEwan, Oliphant, Meacham, Place and Vidal to the side lines during the heavy work. House was at end for Ford, Parke was in for Meacham at guard and Chapman played center for McEwan. Murrill drove the team at quarter, with Harmon, Green and Cole making the back field.

One touchdown was scored by the varsity and Oliphant was called in to try a placement goal from the fifty-yard line, but missed by inches. The detachment of artillery beat the cadets' Cullum Hall team, 3 to 0, in a hard-fought game on an adjoining field.

CORNELL TEAM IS GIVEN LONG DRILL

Ithaca, N. Y., Oct. 18.—The Cornell varsity and second team scrimmaged for more than an hour this evening, the coaches keeping them at it until after dusk.

The varsity scored twice, but could not hold the scrubs in defensive tests following of the ball, grabbing the leather when Brown blocked a punt and scooting sixty yards for a touchdown. Practically all of the varsity men were in the line-up today.

THREE MATCHES TO BE HELD TONIGHT

Manager Billy Hagen, of the Lyceum Theater, has completed all arrangements for the wrestling carnival to be held tonight. Joe Turner, the world's middleweight champion, will meet Harry Swaboda, the western cyclone, in a finished bout, while "Bumpy" Turner will meet Louis Zeraga in the opening bout, with Frank Zeraga meeting Rosea in the semi-final.

Swaboda was beaten by Turner last week, but claimed that he was given the raw end of the decision and asked for a returned bout with some other officials refereeing. George Herbert, the lightweight champion of the South, from Richmond, Va., will referee the main bout.

SIDNEY HATCH MAKES NEW DISTANCE MARK

Chicago, Ill., Oct. 18.—Sidney Hatch, veteran distance runner of Chicago, today set a new record of 14 hours, 49 minutes for the ninety-six and a fraction miles between Milwaukee and Chicago. The previous record, made by Albert T. Corey, in 1907, was four hours and twenty-three minutes longer. Hatch finished the run in excellent condition.

BROOKLYN SYNDICATE MAY BUY SUPERBAS

New York, Oct. 18.—Jacob Marks, representing a syndicate of Brooklynites, will call on President Charles H. Ebbets personally today with an offer to purchase the Brooklyn ball club. According to a newspaper report, his bid is \$2,000,000.

Ebbets stated that he will be pleased to have Marks call. Any genuine proposition of proper size will be given attention and consideration.

Pitts Loses Star Guard

Pittsburgh, Oct. 18.—Randall Sopitt, star left guard on the University of Pittsburgh football team, is out of the game for the season. It was announced today. He was hurt in the game with the Naval Academy eleven Saturday. He had been kicked in the back and one of his kidneys severely injured.

WASHINGTON CLUB NOT TO BE TRANSFERRED

Clark Griffith, manager of the Washington American League team, last night strenuously denied the repetition of the rumor that the management of the club is dissatisfied with the support given the team and intended to transfer the club to Brooklyn.

"It is just a repetition of the rumor that we hear every year," he added. "The Washington club is well supported and is making money every year. If there was any thought of transferring the team to another city, it wouldn't be Brooklyn, because I consider that the poorest baseball town in the country."

FORDHAM PREPARES FOR GEORGETOWN TEAM

New York, Oct. 18.—Fordham is making its bid on the gridiron this season with a great aerial attack of forward passes and a team unusual for its aggressiveness. Up in the Bronx, they attribute the team's success to its "fightin' spirit."

How could it be different when the team's coaches by Gargan and Moriarty, and "Bull" Lowe, Andy Dempsey, Callahan and a few other fighting names in the list of players?

For scoring purposes Fordham's best play is a clever manipulation of forward passes that go shooting over the heads of the opposing eleven like so many Whitehead torpedoes. The Maroon, using their aerial attack, scored two touchdowns in seven minutes against Western Maryland, and while the visitors were on guard against them. These passes are regarded as Fordham's best bet against the upturn footballers are most anxious to win.

JOCK SCOT FIRST IN FEATURE AT LAUREL

Set Fast Pace All the Way and Beats Deer Trap and Lively to Wire.

By GEORGE B. MORRIS.

Laurel, Md., Oct. 18.—Raw, damp weather did not dampen the ardor of a large and enthusiastic crowd which gathered at Laurel Park today. A well-balanced card was run, including six races on the flat and a steeplechase.

While there was no special feature programmed, the fourth race was the best number on the card. Ten horses faced Starter Cassidy, including August Belmont's Deer Trap and Ticket. As the barrier was sprung Jock Scot set a very fast pace from the start, but he had to be ridden at the finish to stall off Deer Trap. The latter was wearing the leader down. He showed an excellent performance under the weight. Lively just managed to nose out Ticket.

Oscar Lewisohn sent his imported horse Benevolence to the post in the fifth number and he made no mistakes in so doing, for the Lewisohn gelding was never extended at any stage of the race and was just galloping at the end to win by two lengths from Poloma, another imported horse, while Berrillon was third.

Laurel was the real thing today when she galloped home by five lengths in the sixth race. Dinah Do was second and Buzz Around third.

Star Gaze accounted for the last race, winning rather handsily from a fair field of horses. It was the longest race on the flat this season—an affair at a mile and a quarter.

Dixon Park was the winner of the steeplechase, beating Vifir a neck, while Meschach was third. Vifir ran a winning race and will win before long. Summary:
